WELCOME NEW NEIGHBORS!

Mary-Lyons and Chris Hanks and their daughter Lindsay (age 3) moved to their newly-built home at 133 Seton Hill Road last fall from Chisel Run in Williamsburg. Lifetime Williamsburg residents and avid Virginia Tech football fans, Mary-Lyons is a teacher and Chris is a swim coach. Favorite spare-time activities are quilting, scrapbooking, and beading (Mary-Lyons) and reading and swimming (Chris). Lindsay likes being outdoors and especially loves the Windsor Forest playground and pool, where the Hanks' were members last year. They can be reached at 565-4585.

Hillary and Tim Stewart and Andrew (age 5) are our new neighbors at 401 Hempstead Road, having come to Windsor Forest from Williamsburg/Newport News. Hillary works in window/doors sales but is going back to teaching, and Tim works in website design and marketing. Know any great babysitters? Hillary and Tim would love to know who they are. They can be reached at 941-7777.

THE WINDSOR FOREST PRIME TIMERS
(otherwise known as the "Seniors of Windsor Forest")

J.D. Salinger said, "I am a kind of paranoiac in reverse. I suspect people of plotting to make me happy." As a Prime Timer, it's easy to comprehend Mr. Salinger's meaning. Prime Timers are in a very fortunate situation where we create, seek, and share fun times with one another.

For example, we are planning a visit to the Muscarelle Museum of Art on Friday, January 23rd, to view the *Dutch Italianate* exhibit, followed by lunch at Victoria's. We look forward to enjoying *Mexican Dominoes* at Margaret and Andy Robinson's home on Wednesday evening, February 4th. Plans are in the making for a visit to the Williamsburg Regional Library on Friday evening, February 13th, to see the performance by *Coyote Run*.

We welcome anyone who would like to join our group, or perhaps just join us for one of our planned outings. The more the merrier!

The Forester is changing!

1. You can view the latest issue of the *Forester* on our website. Just log on to www.windsorforestHOA.com.
2. Because Windsor Forest is no longer able to run hard copies of our newsletter for free via JCC Neighborhood Connections, we would like to “go green” and do away with hard copies totally (for as many families as have computers). Please provide information as noted below and return it as soon as possible. Assuming we get a good response to this request, we will plan to “go electronic” by the March issue. Those who prefer a hard copy each month or who do not use a computer will be able to pick up a copy from a designated box located at the Clubhouse.
3. The Forester is now accepting advertisements! If interested, please e-mail Natalie Clevinger at Natalie@natalieclevinger.com.

Rates are as follows:

¼-page ad - \$35; ½-page ad - \$65; full-page ad - \$100

“Going Green”

In an effort to reduce operating costs, the WFA Board would like to distribute *The Forester* primarily online, via an e-mail distribution list (hopefully of most/all families in Windsor Forest) and via the WFA website (www.windsorforestHOA.com). Please provide the following information online through our website (see “e-mail updates”) or return this to WFA, P.O. Box 5602, Wmbg., VA 23187.

WF homeowner name: _____

Street address: _____

E-mail address where WFA may send newsletter and other neighborhood-related communications:

_____ **I am NOT interested in receiving/unable to receive communications via e-mail or on-line. I would need to pick a hard copy up at the Clubhouse.**

Provide info online at www.windsorforestHOA.com or mail to WFA, P.O. Box 5602, Williamsburg, VA 23187.
