Windsor Forest needs You!

Have you noticed how you see a few names repeatedly when you read or hear about activities in the neighborhood. Well the time has come for you to step up and be one of those people. We will need a new slate of board members officers for 2011. If no one volunteers we have only a few options. Close the pool, lock the clubhouse, let the grass and weeds grow at the entrances and clubhouse, Start a draft or selective service requiring a board member attendance by all members, build a cell tower at the clubhouse....Open a Hooters location at the clubhouse ?

Talk to any board member for information.

We need to fill the following positions:

President, Vice President, Secretary, Treasurer, Pool Director, Newsletter Editor among others.

At this time Karen Heroy is continuing on as Clubhouse , Kelly Kale and Carter Lowery are leading the Frogs Swim team, Youth Social is also remaining the same. Erin Ellis, Mary Lyons Hanks, Heather Moore and Carter Lowery- but they are seeking a new group/ committee to coordinate to take over in 2012.

Thanks to all the above for your time and commitments..

Mark your calendars

A Note from Kelly and Carter (Head Frogs)

It has been an eye opening experience viewing our swim team from this side. We would like to share with you what we have learned, and would like you to share with us YOUR thoughts. Our expectation is to hear from every family. We want to hear any and everything. What did you love about the FROGS 2010, what could be changed, improved, implemented. What have you seen done that you'd like us to bring back, What did we or the coaches do well, what could we do better? Please put some thought into this, we will have our closing interviews with our coaching staff soon after the banquet, and in order to make Summer 2011 to be the best summer yet for the Frogs we need your feedback.

Also, we would like to set up as many volunteer positions now while we are all still thinking Frog. If you held a position this year, and are willing to do the same job next year please let us know.

Keep your eyes out for our end of season wrap-up...coming soon:)

Please email your comments to Carter Lowerylowerycl@cox.net or Kelly Kale Kalehouse@aol.com
